Grantee Re-Application Form
2015-2016

Overview: This form is ONLY for people who received a Career Initiatives Project grant in the 2014-2015 cycle. A small amount of funds have been reserved to consider offering some continued funding to some of the grantees from the prior cycle.

Please note: Grantees who wish to apply for a larger grant should fill out **BOTH** the full 2015-2016 Grant Application form **AND** this form.

Grantees who are only applying for continued funding at an amount under $2000 may choose to only fill out this form.

Please do not exceed five pages. You are welcome to submit supporting documents or materials with this form (such as sample images of art you produced, testimonials from customers, etc. but please DO NOT SUBMIT ANYTHING THAT NEEDS TO BE RETURNED TO YOU such as original art, etc.)

Submit one copy of your completed proposal to info@westernmassrlc.org or to Career Initiatives Project, 187 High Street, Suite 202, Holyoke, MA 01040 by Friday, June 20th, 2015.

1. Your name:

2. Updated contact information (full address, phone number and e-mail):

3. Name of your project:

4. Please describe the progress you made on your project in the 2013-2014 grant year? Include details about personal goals reached and any particular successes you wish to highlight.

5. What were some of the challenges you experienced last year and how might you do things differently this year as a result?

6. Please describe your plan for this next grant cycle (September 2015 to June 2016)? *(If you are applying for the full grant amount and have already filled out a full application for this next grant cycle, you may enter 'see application' here)*

7. Please explain your budget for this next grant cycle (September 2015 to June 2016*)? (If you are applying for the full grant amount and have already filled out a full application for this next grant cycle, you may enter 'see application' here)*

8. What will you do to support your project if we are not able to offer continued funding?

9. How has being funded and working on your project impacted your life and personal goals in this past year?
