

The Western Mass Recovery Learning Community (RLC) creates conditions that support recovery at both the individual and community level through trauma-sensitive peer supports and the development of a regional network.

We believe that human relationships are at the center of what heal people who have experienced extreme emotional states, trauma, mental health diagnoses and a variety of other challenges in life.

Our lived experience and ‘humanness’ is what unites us.
Our stories, collective wisdom and strength is what guides us and our community to wellness.

Training: Working Together to Create a Trauma-Sensitive Peer-Driven Community

Monday, February 27th 1:00pm – 4:00pm

W.Mass RLC's Pittsfield Center

152 North Street, Suite 230, Pittsfield

This 3 hour training is being provided with the goal of understanding how and why the W. Mass RLC works. Soon to be entering its fifth year, the RLC holds a value set which stress strength-based approaches to community interaction and support. An intentional values-based approach to community encourages a safe atmosphere where natural connections between people can form and exist; where healing happens. These values were envisioned by psychiatric survivors and those who had experience in the mental health system well before the RLC's founding and have become the cornerstone of all RLC activities. Community members, RLC staff, agency peer workers, allies and all those interested in intentional personal interaction should consider joining Amanda and Lisa in this engaging dialog. While registration is not necessary, it is encouraged. Please contact us if you have additional accommodation requests, including interpreters. Call toll free (866) 641-2853 x 301 and leave your name and contact information.

The RLC's Pittsfield Center is located at 152 North St., Suite 230 located between Pancho's Restaurant and The Garden beneath the Pancho's awning. Once inside follow the signs to the elevator or stairs at the back of the building. We are on the 2nd floor! An automated handicap-accessible door is located in the rear of the building at 152 Renne Avenue. 30 & 90 minute parking is available on street and 3 hour parking in the Columbus Parking Deck located on Summer Street just behind Ad-Lib.

Department of Mental Health (DMH) Board seeks new membership!

If you are someone who has received mental health services in Massachusetts and identify as having lived experience with a mental health diagnosis, extreme states and/or trauma, DMH would like you to consider offering your expertise to their Board. This body is tasked with community input and recommendations for the operations of our local DMH programs.

Meetings are held on the last Wednesday of each month at the DMH Offices, 1 Prince Street, Northampton, from 5:45pm – 7:45pm.

For more information, contact **Judy Fonamh at (413) 774-3111 ext. 301**

Bowen Center, 340 Main Street, Springfield

5:30pm – 7:00pm

Young Adults from LEAD Filmmaking Workshop to Premiere film!

Over the course of twelve weeks, a group of young adults workshopped with a professional filmmaker, PJ Moynihan, at the Bowen Center in Springfield, and produced their very own movie. It came out great!

FEELINGS IN OUR COMMUNITY features interviews with local individuals and was fully conceived, filmed, edited, and produced by young adults in the LEAD Filmmaking workshop. The film is a commentary on some of the issues facing Springfield and a message of hope for all to hear.

Guiding Council of Western Mass

The Guiding Council of Western Mass (GCOW) is the advisory board for the Western Mass RLC. All individuals in our community are welcome to attend.

The next GCOW meeting will be on Monday, February 6th, 1 - 3pm at the RLC's Holyoke Center, 187 High Street, Suite 303.

ASL Interpreters have been requested

The 411 on Peer Respite

Peer - "an equal in civil or social standing or rank"

Respite – delay or cessation for a time, especially of anything distressing or trying; an interval of relief: to toil without respite.

For those of us who have been engaged with the traditional psychiatric services offered in the United States...we've been there and done that. We've hung with the therapists, the psychiatrists, the groups, the partial hospitalization programs and even the locked units. We've found solace and help there sometimes, but not all of the time. Often, we have found ourselves revisiting these places instead of 'getting better.' Is there something different? Here in Massachusetts, we've seen increasing opportunities to work with people who use their lived experience to support us. We've also found that the food we eat, spirituality, and attention to our 'wholeness' are important to our well-being. We have integrated mindfulness, yoga, support systems and personal passions into our understanding of wellness. But what of those times of major distress, those times when the warm and crisis lines seem our only link to some way to stay in touch, to reach out and often end up in the hospital again?

Peer Respite

While they are still few and far between, peer respites are emerging across the United States. Peer respites are places run and staffed by those with lived experience; places where you can stay in times of distress to take a break from the stresses in your life; a place that is not the hospital. They are single-family homes in family neighborhoods, unrelated to the traditional services we've come to know, and their goal is ours...whatever that may be. Peer respites use the intentional support of our peers to offer a place where we can experience our lives in a safe environment; where we can access the wisdom of others who can identify with our experiences; where non-clinical support and environment are pivotal in our ability to work through what has brought us there.

There are several peer respites scattered throughout the Northeast including Voices of the Heart (Glens Falls, NY), the Rose House (Poughkeepsie, NY) and Stepping Stones (Claremont, NH.) They are working. They cut the time we remain in distress and reframe this it as an opportunity for growth. They reduce the cost of our recovery, both emotionally and fiscally. They have added a ripple to the landscape of mental health in the US. The Massachusetts Department of Mental Health is committed to supporting peer respites here in the commonwealth. Stay tuned.

Country Mouse Visits City Mouse

This February 13th the RLC Greenfield community will take a road trip to visit our Pittsfield cousins. The thought came one Support Forum when we realized that not only don't we know much about what happens in the RLC communities throughout the rest of the state, we don't even know the folks in other parts of our own community right here in western Mass. Thus was born "The RLC Exchange Fieldtrip." We will travel by carpool from our Greenfield Center, 74 Federal St., to Pittsfield, 152 North St, Suite 230, where we will spend the afternoon getting to know our Berkshire Center and community. We've heard the space is lovely and look forward to seeing it for ourselves! We look forward, as well, to visit connecting with our Holyoke and Springfield Communities in the not-too-distant future. AND, we are pleased to hear the Pittsfield community has promised a reciprocal visit to come see us!

On the Pittsfield Calendar, look for the Recovery Learning Exchange Potluck listed on the 13th and plan to join us!

Berkshire Center Community Hours: Mondays 12:00pm-3:00pm, Tuesdays 12:00pm-4:00pm, and Thursdays 12:00pm-4:00pm unless otherwise noted on the monthly calendar. Peer support, resource information, computer lab, lending library, Wii gaming and other activities are offered. Additional hours are available by appointment. Come on by and drop in. We'd love to see you!

Crochet Club: Each Tuesday, 3:00pm – 4:00pm. Come get hooked on crocheting! Join us as we improve on (or begin) our crocheting. It is a great way to share and catch up during this enjoyable hour of friendship. Use supplies offered or bring your own! Patterns are available.

General Support Group: Each Monday, 11:00am – 12:00pm. Offer and receive support in a confidential, non-judgmental peer setting. Share your expertise and those of your peers in this generative environment. Everyone is invited and welcome!

Hearing Voices Group: Every other Thursday, 4:30pm – 6:00pm. Although 1 in 10 people hear voices, many choose not to talk about them due to fear of judgment and stigma. A Hearing Voices Group is a place where people can meet to talk about their experiences without such concern. It offers mutual support and friendship, with the opportunity to explore your experiences and learn from others with similar stories. Hearing Voices is real. This is a NEW group currently forming in Pittsfield. Come to a meeting and see what it's all about! For more information contact Lisa @ 413-561-3269 or Colleen @ 413-398-1306.

Jewelry Creations: Mondays from 1:00pm – 3:00pm: Jewelry Creations takes small projects from start to end and teaches the basics of stringing and wire jewelry making. Bring your own projects or use the materials provided.

Poker Time: Thursdays from 1:00pm – 2:30pm. Tired of faceless computer programs dealing up your hand of Texas hold 'em or always was interested but never learned how to play? Here's your chance to look across the table at your fellow players and learn about the combinations of probability, psychology and game theory that make a good player. Our table is friendly, tutorial and encourages camaraderie and skill development. Chips and wagers will be for points only and hold no monetary value. Open to all regardless of skill level. Pull up a chair!

Recovery Learning Exchange Potluck: Monday, February 13th from 1:00pm – 3:00pm Berkshire hospitality will be on tap as the Pittsfield center welcomes its cousins from the Greenfield center. While the RLC spans the entire Western Mass region, our community rarely gets together due to the distances involved. This is an awesome opportunity to exchange ideas, get to know new people and share in the breadth and depth of our community. Potluck items are encouraged but not required. Please call the Pittsfield center and let everyone know what you plan to bring (413)236-5888.

Spiritual Explorations: Mondays 12:30pm – 1:30pm. Discovery of our spiritual nature can be a very important road on our paths to recovery. This exploration is often supported within a group. Spiritual practices, including meditation, prayer and contemplation, are intended to develop an individual's inner life; spiritual experience includes that of connectedness with a larger reality, yielding a more comprehensive self; with other individuals or the human community; with nature or the cosmos; or with the divine realm. Come join us and let the conversation begin.

Training: Working Together to Create a Trauma-Sensitive Peer-Driven Community: Monday, February 27th, 1:00pm – 4:00pm. This 3 hour training is being provided with the goal of understanding how and why the W. Mass RLC works. An intentional values-based approach to community encourages a safe atmosphere where natural connections between people can form and exist. These values were envisioned by psychiatric survivors and those who had experience in the mental health system well before the RLC's founding and have become the cornerstone of all RLC activities. Everyone interested in intentional personal interaction should consider joining Amanda and Lisa in this engaging dialog. While registration is not necessary, it is encouraged. Please call toll free (866) 641-2853 x 301 and leave your name and contact information.

STATEWIDE ORGANIZATIONS, EVENTS & TRAININGS

Certified Peer Specialist (CPS) Training: The CPS training is the statewide certification program for individuals interested in working as Peer Specialists as using their own recovery stories and experiences to inspire and support others to move forward on their own recovery journeys. The CPS trainings take place at locations throughout Massachusetts determined at the start of each year, and an application process is required to enter as a student. Although your local RLC MAY be able to help you get access to a CPS application, link you to others who have already been through the CPS class, or get support around studying for the CPS the RLC's do NOT oversee the CPS class or exam and are not responsible for its content or application process. The CPS classes are sponsored through the Transformation Center at 98 Magazine Street in Roxbury, MA 02119. You may access more information about the CPS training and/or exam by e-mailing to cps@transformation-center.org or going to www.transformation-center.org/cps/
